

ISCIIA2020 Call for Papers

The 9th International Symposium on Computational Intelligence and Industrial Applications
CITIC Jingling Hotel Beijing, Beijing, China, Oct.31-Nov.3, 2020

The 9th International Symposium on Computational Intelligence and Industrial Applications (ISCIIA 2020) is organized by Beijing Institute of Technology, Beijing, P. R. China. ISCIIA 2020 is an international conference that provides a forum for scientists and engineers over the world to present their own theoretical results and techniques in the field of Computational Intelligence and Industrial Applications. The conference proceedings have been cited by EI since 2004, and selected excellent papers will be published in the special issue of JACIII (Journal of Advanced Computational Intelligence and Intelligent Informatics, ESCI/SCOPUS/EI indexed). Taking this opportunity, we sincerely welcome our colleagues worldwide to join us for this workshop. Please visit the conference website <http://isciiia2020.bit.edu.cn/> for further information.

Technical topics of ISCIIA2020 include but are not limited to:

Control Theory and Applications	Data Mining	Network-based Control	Intelligent Control	Mechatronics
Intelligent Transportation Systems	Data Fusions	Fuzzy and Neural Systems	Neural Networks	Motion Control
Human-computer Interface	Fuzzy Systems	Evolutionary Computing	Multi-agent Systems	Learning Systems
Signal and Image Processing	Network Security	Robotics		

Sponsors:

- Beijing Institute of Technology (BIT),
- Japan Society for Fuzzy Theory and Intelligent Informatics (SOFT),
- Beijing Association of Automation (BAA),
- IEEE Systems, Man, and Cybernetics Society (Beijing Capital Region Chapter),
- International Fuzzy Systems Association (IFSA),
- Japan Society for the Promotion of Science (JSPS),
- IEEE Computational Intelligence Society (Beijing Chapter),

Co-sponsors:

- Fuji Technology Press Ltd.
- KTI Semiconductor Manufacturing Machine Co. Ltd.

Organizing Committee

Honorary Chair: Kaoru Hirota (BIT, China; JSPS, Japan)

General Chairs		Advisory Board	
Bin Xin (BIT, China)	Shinichi Yoshida (KUT, Japan)	Yaping Dai (BIT, China)	Toshio Fukuda (Meijyo Univ., Japan)
Program Committee Chairs		Organized Session Chairs	
Hongbin Ma (BIT, China)	Jinhua She (TUT, Japan)	Dawei Shi (BIT, China)	Xiangyuan Zeng (BIT, China)
			Syoji Kobashi (Univ. of Hyogo, Japan)
Local Organizing Chairs		Publication/Publicity Chairs	
Yuan Li (BIT, China)	Zhen Li (BIT, China)	Huifang Li (BIT, China)	Zhiyang Jia (BIT, China)
			Qing Wang (BIT, China)
Registration Chairs		General Affairs	
Ru Lai (BIT, China)	Zhuoyue Song (BIT, China)		Rongli Li (BIT, China)

Paper Submission

All manuscripts must be submitted electronically in PDF format before the deadline. Only English manuscripts are acceptable. The initial version of each paper cannot exceed 8 pages. The camera-ready version of each accepted paper is also up to 8 pages in total, but each page in excess of 6 will incur an extra charge. Manuscripts should be on A4 sized paper (210 mm x 297 mm), in two-column format, with top and bottom margins of 25 mm, left and right margins of 20 mm, column width of 80 mm, and inter-column gap of 5 mm. All figures and tables should be clearly visible, and the paper format should be referenced to <https://www.fujipress.jp/jaciii/jc-authors/#materials>. A complete paper should be submitted via <https://conf.fujipress.com/isciiia2020/> (available after May 10, 2020). Selected papers will also be published in the special issue of JACIII (currently scheduled in 2021 January issue).
